

Larkhall Christmas Crib Trail Form

There are 20+ Christmas Nativity Crib scenes with Mary and Baby Jesus for you to find in 20 + different locations in Larkhall. Mainly in shop windows or on railings. Each scene is a different size (1 metre to a matchbox), material and from around the world.

All of them have a different name for Jesus printed on a white card. You can use this form to record the ones you have found and if you would like to bring your completed form to St Saviours Church over the Christmas period we would love to give you a Christmas chocolate. Tell us which is your favourite crib scene.

ENJOY THE TRAIL !!
